Volume discounts

- 15 or more samples in one order: **10% off**
- 25 or more samples in one order: **15% off**

Payment

Pay by credit card or ACH/bank transfer when you build your order online. Card payments are charged at checkout and include a 3% processing fee on the order total. ACH has no fee: you'll receive an invoice, and testing begins once payment is received.

Turnaround

Turnaround is counted in business days from when we receive your sample. Turnaround times are estimates, not guarantees.
